Buttons: Send application, PDF

12. You can see the status of your application on the *Application form for outgoing student mobility* -view. You will get notification when your application is processed. Please note: the applications will be processed after the application deadline.

Status of application	Mobility type
Application sent	S - Study

Application process:

1. VAMK International Office will check your application.

International office staff is able to open your application for editing. In case you need to edit your application, please contact international@vamk.fi.

2. After check up, your application will be sent for selection to the Study Counsellor of your field of studies.

Your application is either accepted or not accepted.

3. You will receive notification by email when the decision is made. If your exchange application is accepted, you still need to confirm or cancel your acceptance in the SoleMove system.

4. VAMK International Office staff will nominate the accepted student to the partner institution according to their nomination deadline.

5. The partner institution informs the nominated student about their own application process and deadlines. Student follows the partner institution instructions and fills in the Learning Agreement (study plan).

- For Erasmus exchanges, the Learning Agreement is done online in the SoleMove system.
- For exchanges outside Europe, Learning Agreement is sent as a separate attachment, or as instructed by the partner institution.

6. Final decision about the exchange is done by the partner institution according to their own schedule.
